try to the verge of de truction and set it up to a favor of the American candidates. We say at all. We should suppose that Mr. Buchanbe laughed at a deraid by our own to our friends everywhere, perfect your organ as mortification at the saving of his State by people and other nat us. By its forfetting out from the hollows and the ed pledges and violated trus's it has cast bill sides every American votar, see that the penditure of nearly a milion of dollars in the from it those that placed it in power whole field is carefully gleaned and that none canva-s would constrain him to withdraw from and it those that placed if in power and it those that placed if in power and it the cross of men of all parties. It renewed he avery ag a no and pland of the country divil war; it has rejuvenated and strengthened the aboution party; it has digraced itself by is weak and bungling negotiations and alliances with foreign powers; it has given existence and power to the abominable Squatter Sovereign'y doctrine and fromothesian denouraged the schemes of planderers to and encouraged the schemes of planderers. The interest is the country and that some canvass would constrain him to withdraw from a canvas would constrain him to withdraw from a canvass would constrain him to withdraw from a canvas would constrain him to withdraw from a ca te and encouraged the schemes of pl nderers perabag men, but, if each and every Ameriand a lith sters. And all these danger us and depicable places, crooked and criminal and defiance to Sag-Nicht frauds, for we have a matter than the can be shown that in.

149 to elect. It is can be shown that in.

Fremont will lose 28 of the 176 votes from the defiance to Sag-Nicht frauds, for we have a matter than the can be shown that in. they are, are part and parcel of the platform jority of conservative men in Kentucky that It is now conceled that neither Indiana nor Pent and priociples which constitute James Buchan-an and his party. That party experimented and this party. That party experimented and tampered with an imanaged and misman-aged our government, until it is almost on the bick of rui and divgrace, and yet that same party angulor by a kathe people, whose trusts it has voict and whose government it has conducted with filling the people, whose trusts in has always been, on the aide of the Union satisfaction to commit their trusts and the Constitution.

The arrive trust of Frimont These tates have 40 electoral votes. If Mr. Fremont states have 40 electoral votes. If Mr. Fremont should carry every other Northern State, his election would yet be impossible. But there is no earthly probability that he can carry either New Jersey or California. In neither of these tastes have 40 electoral votes. If Mr. Fremont should carry every other Northern State, his election would yet be impossible. But there is no earthly probability that he can carry either New Jersey or California. In neither of these same has always been, on the aide of the Union strength. The contest in these two states is again into its hands. The party cannot, they
dare not, attempt a defence of Mr. Pierce's

conveyances he supplied for those who are too
our confidential advices from the great State of

ise management of our government by our His Duty.-The last decisive struggle is u., fire athers, that we should never be able to us Before another number of our Werld read in its history any traces of resemblance to our once proud and happy kepublic. When public servants are so bold in the betrayal of their truste, and so reckless in the violatoon of their pledges, we should eject and we helieve, with a zeal which no fate can them from their positions and penish, with the Indignant voice of popular denunciation, their prevail." Yet, 2s the liour of trial spproaches, dishonerty, imbecility, and treachery. Can and we acquire a fuller and clearer view of the unscruptions and all but superhuman efforts of our adversaries, we feel an increasing. James Buchanan; or can any applaud the ad-ministration of Millard Fillmore and yet vote patriotism and moral worth of the peo-

regard it as a sectional triumph, for all know and admit that he will be the President of the ocean, and the arrogant foreigner whose Ignor-State by corruptton and fraud. They are beta dre so r last appeal to the friends of Liann. They are the point of next ruesday, and the lying secret Sag-Nicht circulars, to send the carry and Union, in a spirit of candor and with eep and eve painful solicitude that it may be expending what they expect to be their win-

nings in importing and colonizing herdes of prate a vi e and power of argument to good man, Millard Fillmore, and that these frees. God knows we are actuated by lazar-house paupers and purchased felons shall try, our coreer as a nation is ended, and independence of our country are worse than a creants and imported mendicants. Theidea that intelligence of the people must then be regard-

party claiming power and coutrol. eccessiv. The perpet ity of the Union and of your noble and gallant standard bearer. Re. to the whole world he must be p miserable remember that American hearts are beating to hear creant indeed who would not. and the dearer privileges dependent on them hang upon the election of the model President and of freedom, the keystone of the Union, a species the most grave and critical that the voice that shall make the welkin ring, as it ri-

section, the president of party or of a meeting the section, they must not vote for him; and his letter to Mr. Berrie reterating his opposition to all agitation of the sivery question and to have redered him doubly wort y the support of all we obtain the filling and path if m. He again bondy and proudly spurps his new-borne emiss of the South.

It is nunceessary for us to demonstrate the fact that Fremont now stands no charce of an election. His loss of Indiana and Pennsylvania proves it. The convext now lies between the firm the basis of the freedom now is and so charce of the South. The proves it. The convext now lies between the firm the basis of the freedom now is and so charce of the South. They are firm approved it. The convext now lies between the firm the basis of the freedom of American and Pennsylvania proves it. The convext now lies between the firm the basis of the freedom of American and Pennsylvania proves it. The convext now lies between the firm the basis of the freedom of American and Pennsylvania to the legal voters of Kentucky. The right of voting, the irranchise which is the basis of the freedom of American and Pennsylvania to the removal of the support of the south. They are firm the firm the honest prometic of the support of the south. They are firm the firm the honest prometic of the freedom ply untrue—N. Y. Express.

This is unquestionably true. We are assured from many quarters that the Society of Friends in Pennsylvania and to vindic ate the right.

The Fillmore electoral ticket in Pennsylvania and to vindic ate the right.

The Fillmore electoral ticket in Pennsylvania and the vindic ate the right.

The Fillmore and will be employed too the fact the satisfies nearly the whole conservative opposition to the Fillmore and the support of the satisfies nearly support of the state. The Society of Friends in Pennsylvania at the satisfies nearly support of the satisfies nearly support of the satisfies nearly support of the state. The Fillmore encouraged than ever. The sincere opponents of Mr. Buchanan support if the South. They are limited to the state. The fillmore and the union of the Fillmore and the Union. They oppose all accounts are the right.

The Fillmore encouration to th the restoration of the Missou i compromise, purposes. All the actifices and devices that hetbrilling, world-resonating shout of rlumph; and to vindic ate the right.

dare not, attempt a defence of Mr. Pierce's adm stration lie has fallen so low that there is none to do him reverence. The party by their silence meck y a mit all the charges of weakness and recklessness against him and his cehinet. Yet they insolently ask us to try them again with the same set of men governed by the same seri of a platform, and guided by the same weak heads and blundering hands. A few more experiments by a few more such Pesi suff would carry as so far from eur

starting point-from the early condition and THE Country Parects every Man to no

against hin? Yet there are those who seem to occupy just this position. They proless to hold in utter abhorrence the administration of Piece, and they eulogize the administration of Piece, and they eulogize the administration of the people are the stronghold of our party. They constitute the Millard Fillmore, yet they propose to vote for tower of its strength. They are our whole the former over the latter upon pro-slavery or ctional grounds. It is a delusion-a dangerous in which we believe the life and glory of the elusion, replete with inconsistency and des-ned to bring into political parties and politi-striven so ardently and passionately to win al contests an element of strife which will They are the cherm and might of our cause nake and shatter our Union from centre to And they are its only might.
